

Institute of Architecture and Urbanism

UNIVERSITY OF SÃO PAULO

This presentation contains the entire database on the history of international mobility between the Institute of Architecture and Urbanism (IAUUSP) and partner Higher Education Institutions since when the Institute was founded and became an independent part from the São Carlos School of Engineering of University of São Paulo in 2010.

IAU^{USP}

UNDERGRADUATE STUDTENDS DATA

UNDERGRADUATE STUDENTS

Record of international mobility data of the last five years from the undergraduate students Institute of Architecture and Urbanism IAUUSP.

Database: January 31st, 2019 until January 31st, 2024.

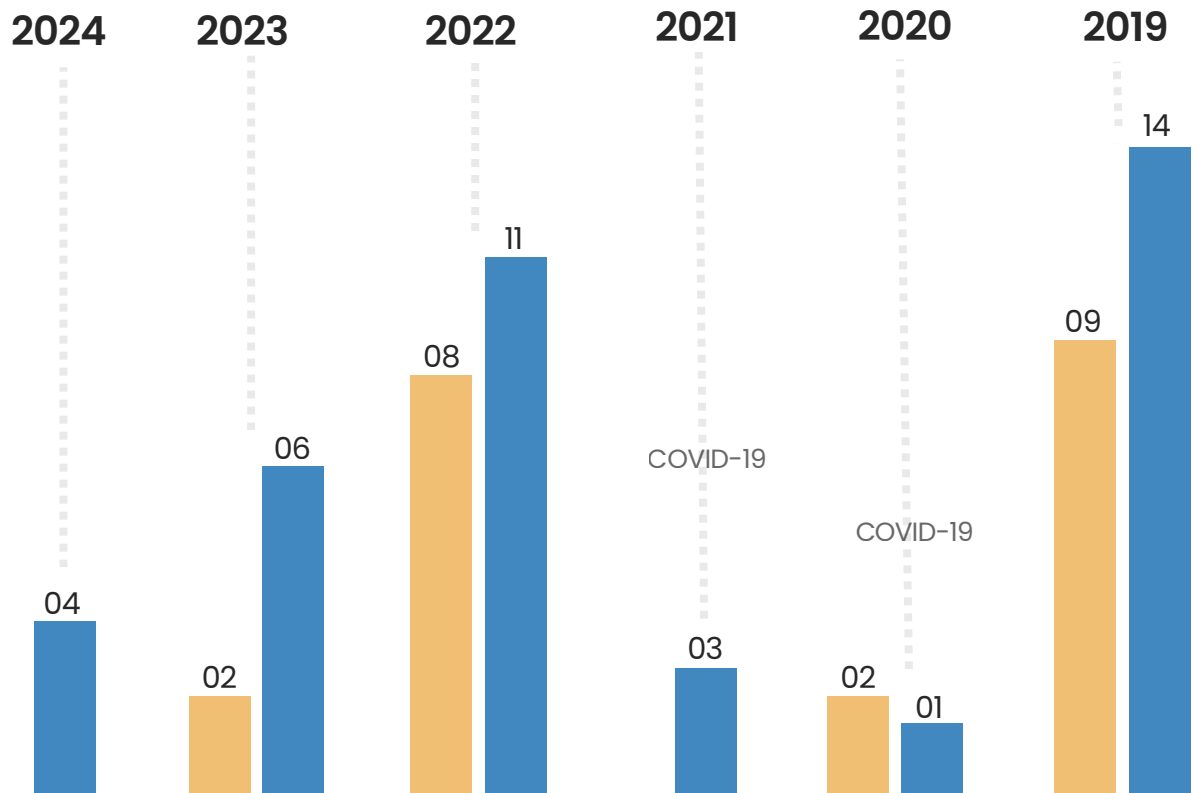

-  The IAU has already guided 125 students for international mobility.
-  The IAU has already received 119 international mobility students.

OUTGOING

Number of undergraduate students from Institute of Architecture and Urbanism IAUUSP who carried out international mobility.

INCOMING

Number of students from partner institutions who carried out international mobility at the Institute of Architecture and Urbanism IAUUSP.

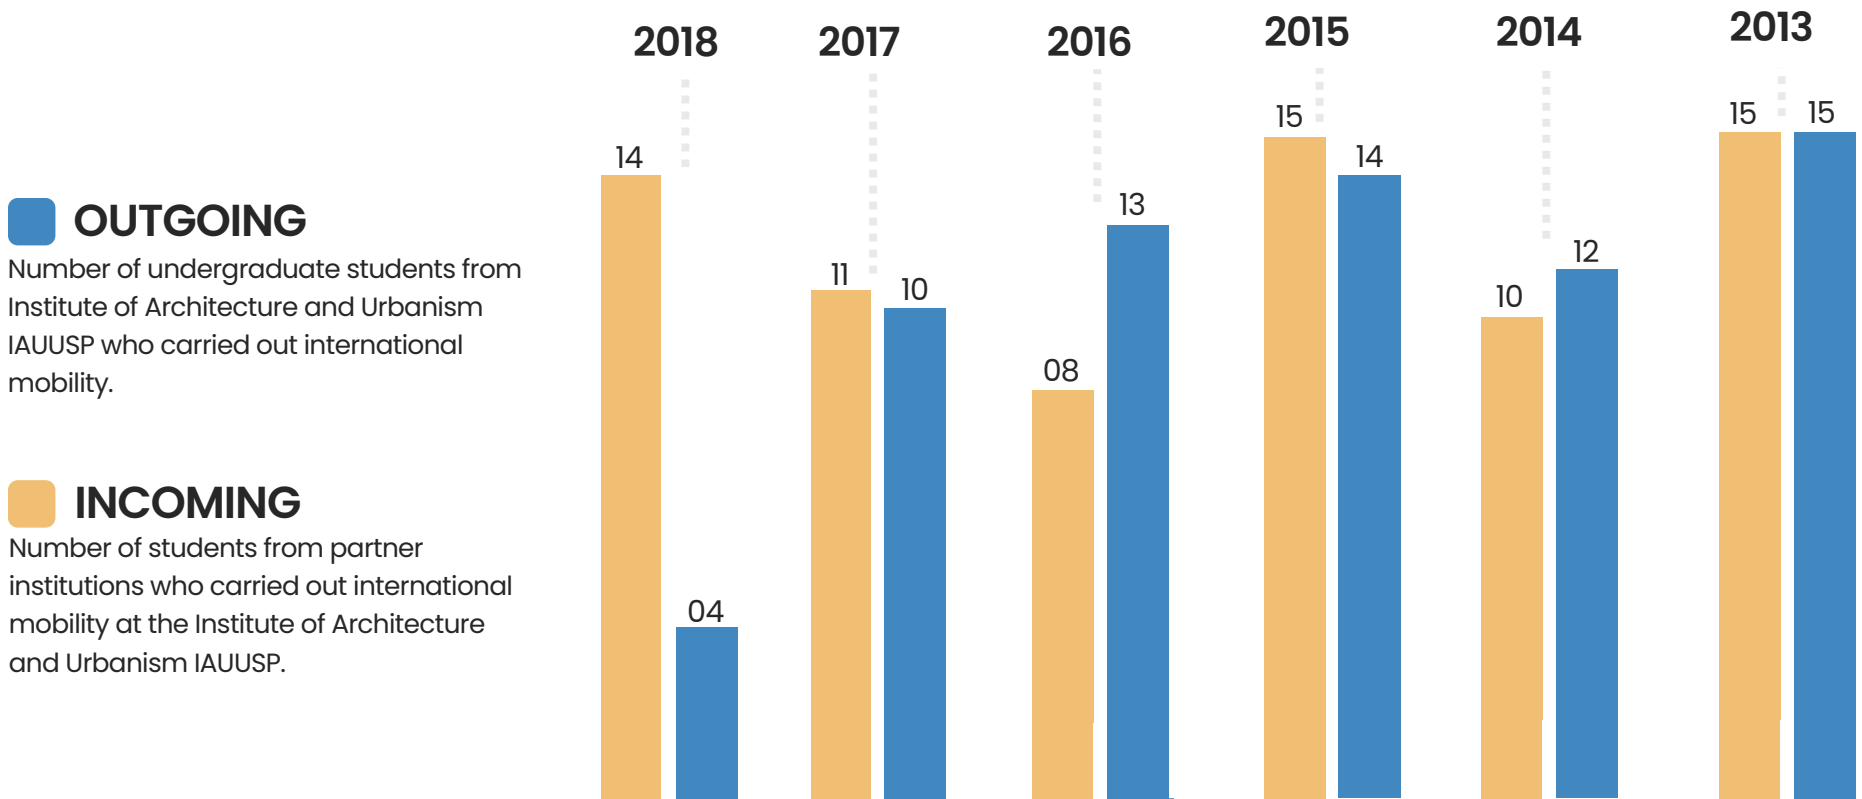

UNDERGRADUATE STUDENTS

Record of international mobility data of the previous five years from the undergraduate students Institute of Architecture and Urbanism IAUUSP.

Database: January 1st, 2013 until December 31st, 2018.

-  The IAU has already guided 125 students for international mobility.
-  The IAU has already received 119 international mobility students.

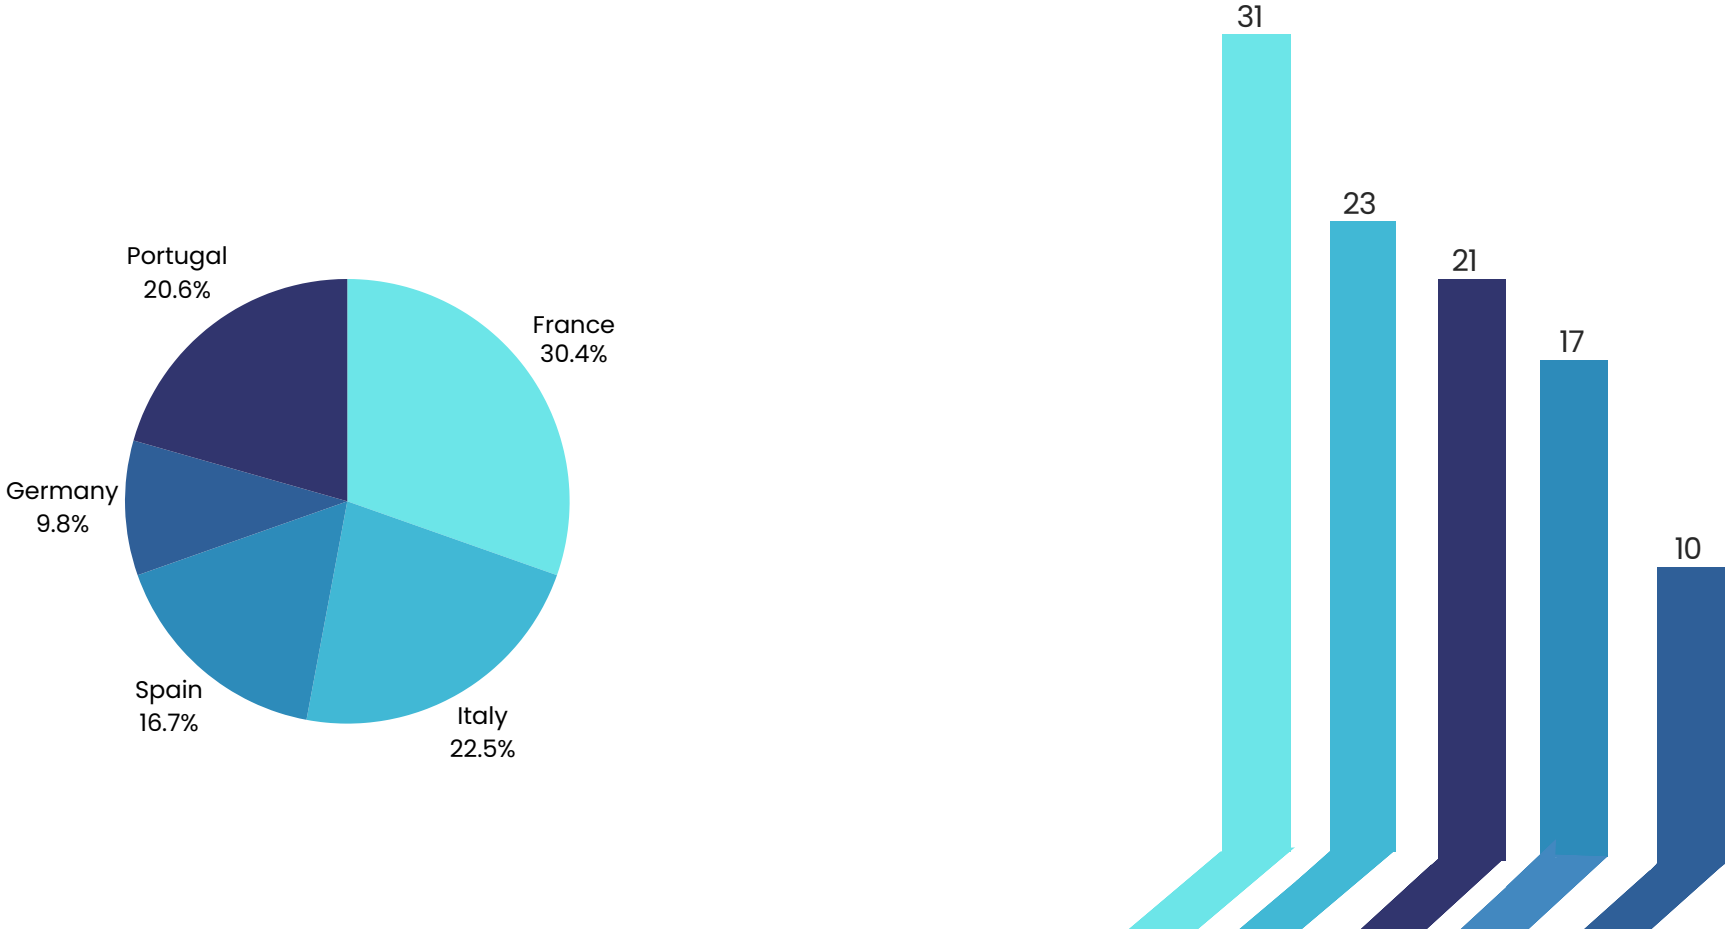

OUTGOING DESTINATION DATA

Chart of the most frequent destinations for international mobility between IAUUSP undergraduate students.

Database: January 1st, 2011 until January 31st, 2024.

IAU has guided its students to 17 different countries since 2011.

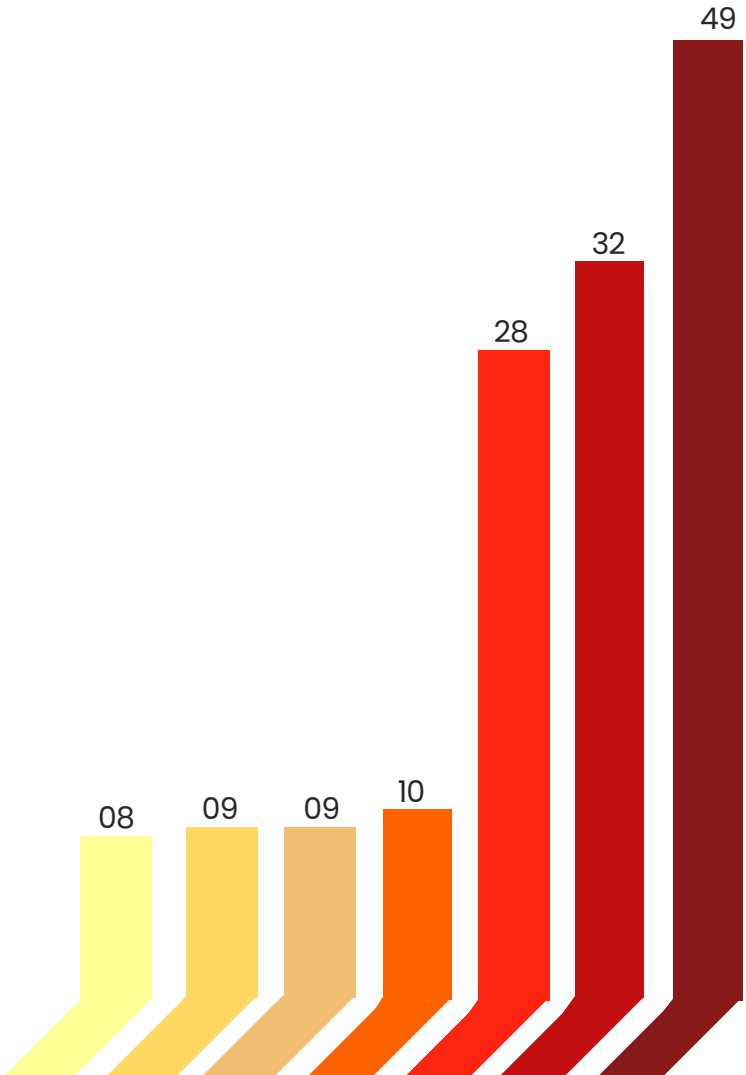

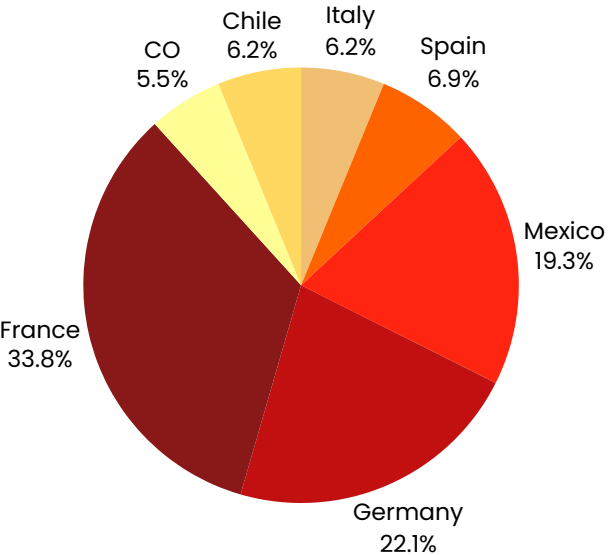

INCOMING STUDENTS DATA

Chart of the most frequent countries of origin among undergraduate students in international mobility at IAUUSP.
Database: January 1st, 2011 until January 31st, 2024.

IAU has welcomed students from over 13 different countries since 2011.

POSTGRADUATE STUDTENDS DATA

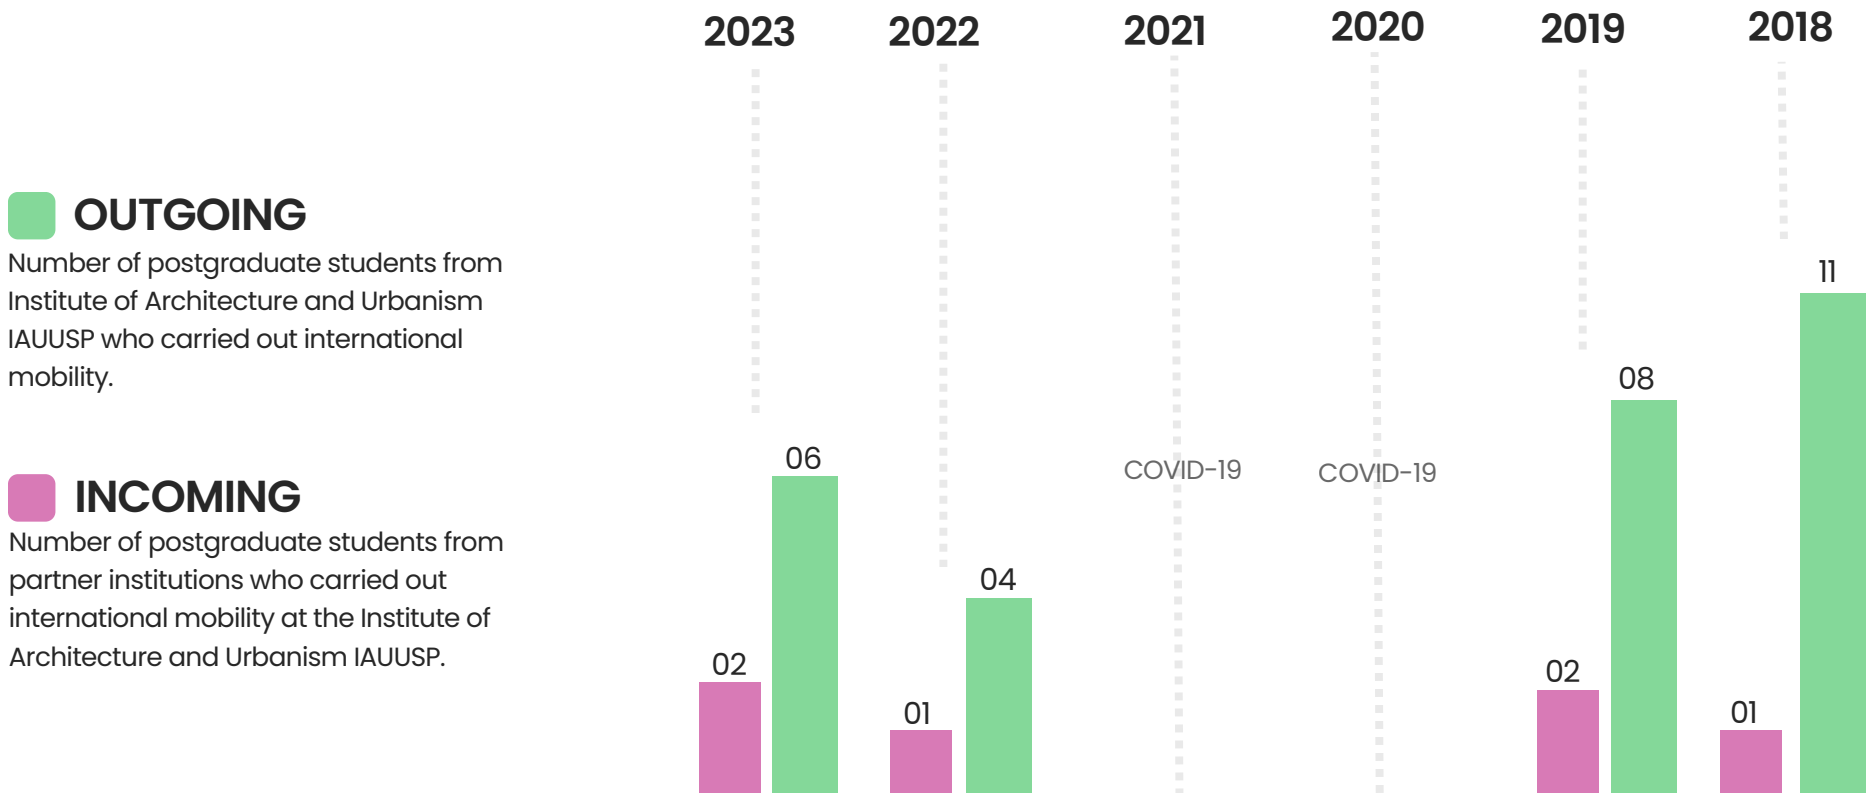

POSTGRADUATE STUDENTS

Record of international mobility data of the last five years from the postgraduate program at Institute of Architecture and Urbanism IAUUSP.

Database: January 31st, 2019 until January 31st, 2024.

- The IAU has already guided 53 postgraduate students for international mobility.
- The IAU has already received 17 postgraduate students for international mobility students.

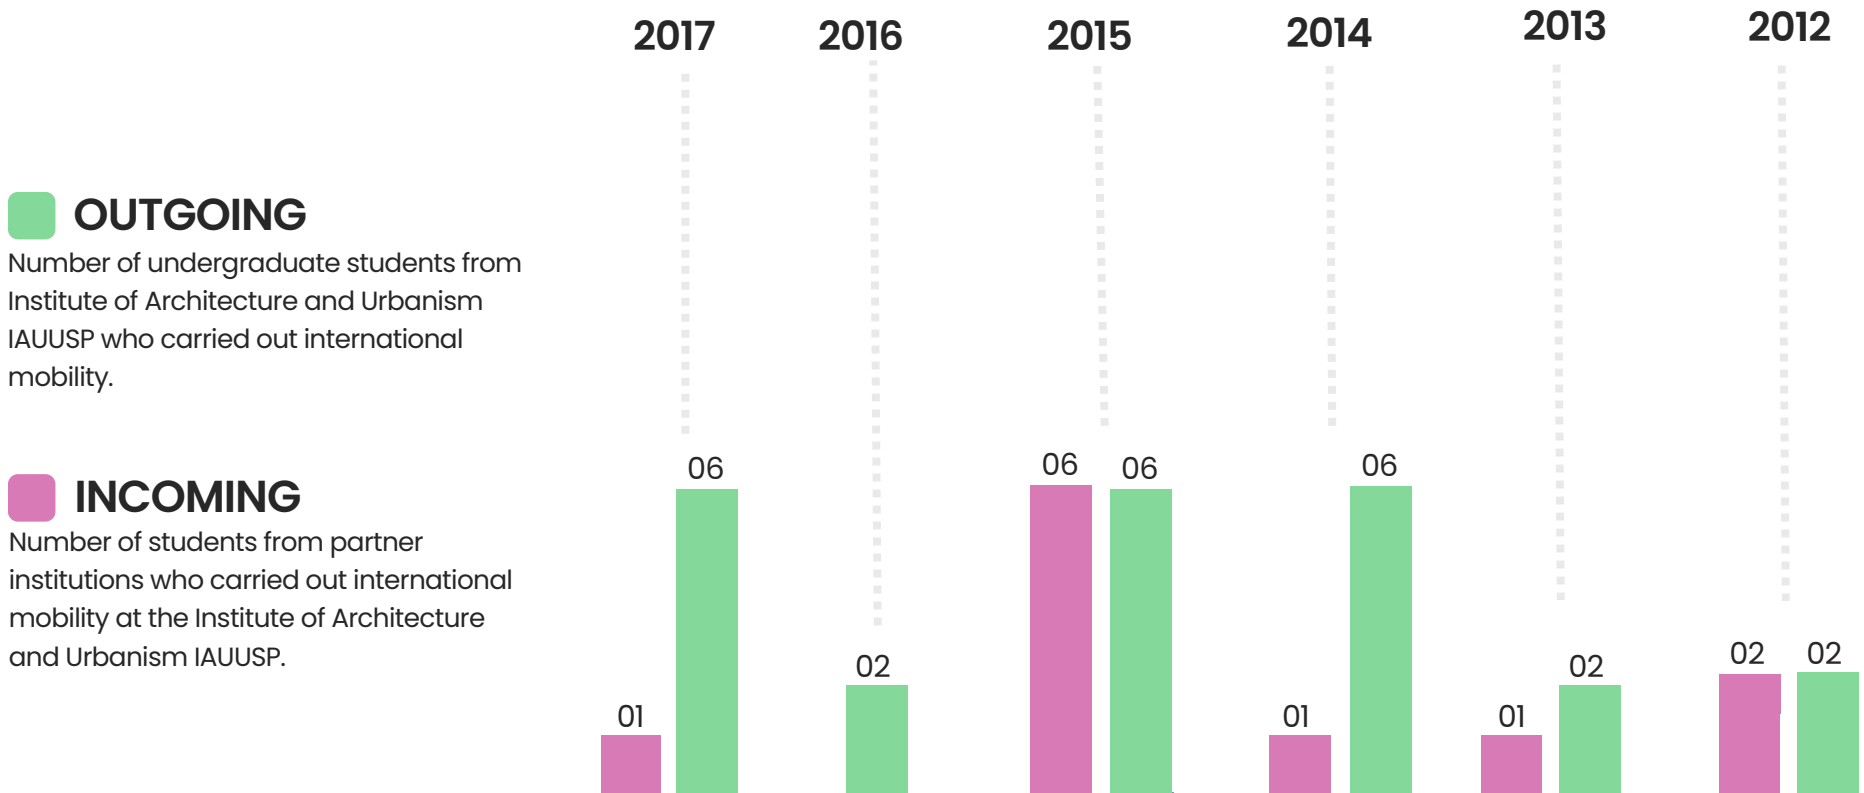

POSTGRADUATE STUDENTS

Record of international mobility data of the previous five years from the postgraduate program at Institute of Architecture and Urbanism IAUUSP.

Database: January 1st, 2013 until December 31st, 2018.
